# Looking Back on April...

Spring has FINALLY arrived!  
April came and went so fast. We were able to start doing outdoor activities now that we have our warm weather back and everyone is having a blast! We colored eggs for Easter, started brightening up the halls with fabulous spring art and are getting our exercise in the afternoons with our friends! We can't wait for more warm days to come!

## EMPLOYEE SPOTLIGHT!

### Julie Gray

Julie is our housekeeper in the Nursing Center!  
She was born in Sandwich but also grew up in Aurora. Before Julie came to Jennings, she was a Prep Cook at Aurora University for 10 years!

She has three kids and eight grandchildren. In her spare time, she loves riding her bike, cooking and baking as well as any activity outdoors.

Her favorite thing about Jennings Terrace is the wonderful residents. She loves working here!
